

2024 internship programs Eligibility and links

Eligibility

- The program is open to Nigerian students studying in-country or overseas.
- Internship **must be a requirement** to complete the school's program leading to a Diploma, Bachelors', or Masters' Degree as applicable.

To apply, use the following links:

Undergraduate program: for students pursuing bachelors' degree, National Diploma, Higher National Diploma (in Nigeria or oversea): [2024 Second Half Internship Placement \(Undergraduates\)](#)

Postgraduate program: for students pursuing a Masters' degree: [2024 Second Half Internship Placement \(Students in Masters' Program\)](#)

Medical Laboratory Scientists: [2024 Second Half Internship Placement \(Medical Laboratory Students\)](#)

Pharmacists: [2024 Second Half Internship Placement \(Pharmacy Students\)](#)

Medical Radiographers: [2024 Second Half Internship Placement \(Medical Radiographers\)](#)

Note:

- Chevron provides equal opportunities to all aspiring interns and placement is dependent on meeting all the requirements for the different internship programs and availability of slots in the company.
- Our interns are not in scope for Hybrid work. Host teams should put processes in place to keep interns engaged as they will be on the traditional 5/2 work schedule i.e., working in the office Monday to Friday.

The requisition will close on Sunday, May 26, 2024, at 11:59 p.m.
